Research Promotion Policy

2021-22

As all the faculty members know that the college is committed to fostering a culture of research practices and innovation, the college has set the following guidelines to encourage advancement of knowledge and creativity.

The purpose of the policy is to:

- Establish a framework for conducting ethical and responsible research and innovation.
- Promote a supportive environment that encourages faculty, staff and students to engage in high quality research and innovation activities.
- Foster collaboration and partnerships with external organizations to facilitate impactful research and innovative projects.

Guiding principles:

- Faculties should submit their research details like research article publication, award of PhD, guideship, major-minor projects, and details of seminars and conference attended to Academic Research Council of the college.
- Faculty should submit their Yearly Self Appraisal reports to ARC every year for verification and validation. The performance reports will be communicated to MGVS Academic Section for further action.
- SCOPUS and Web of Science journal publications will be given rewards as per MGVS guidelines and procedures.
