## **The Board of Student Development: - 2019-2020**

The Board of Student Development has been one of the active departments in the college. In the year 2019-20, it has implemented several developmental schemes for the overall development of our college students. It works as a mediator to communicate various Central and State Government and other schemes to the students. The Board avails the information on various scholarship schemes to our students and encourages them to avail the benefits. It has facilitated the participation of students in the intercollegiate and inter-University competitions. The Board provides Remedial Coaching to the weaker students and facilitates financial support to the students in case of any mishap. The Board contributes to the overall development of the students.

**The following schemes were implemented by the Board of Student Development in the academic year 2019-20: -**

- Karmaveer Bhaurao Patil Earn and Learn Scheme
- Nirbhay Kanya Abhiyan

### **➤ Karmaveer Bhaurao Patil Earn and Learn Scheme**

The scheme avails job opportunities to the poor and the needy students in the college campus itself so that they may secure higher education without hurdles. Supporting financially weaker students and facilitating earning while learning is the special feature of the scheme. The scheme simultaneously focuses on the enhancement and maintenance of dignity of labour and creating work culture among students.

For the academic year 2019-20 near about 90 students applied for the enrolment in Earn and Learn scheme. They were interviewed individually and enrolled in the scheme based on their financial status, skills and availability of jobs. Based on this, 21 students (16 girls and 05 boy students) were enrolled and provided jobs as per the scheme. The students were provided jobs in various departments of the college. The major work was done in the Library, Office, Examination section, and Garden. The works included- book arrangement and numbering, data entry and processing, record keeping, scanning of exam and scholarship forms, office management and helping respective departments in

organizing various seminars, conferences and competitions. Students were given access to the computers which motivated computer literacy and other vocational skills.
